

CPSC CERTIFICATE OF COMPLIANCE

This letter is to certify that W.C.P.,Inc., dba West Coast Glass Products (WCG) manufactures tempered safety glass and fabricates laminated safety glass (minimum .030 interlayer) that complies with ANSI Z97.1 and CPSC 16CFR 1201 Category I and II.

West Coast Glass Products is a self-certifying organization for tempered safety glass. Our facility routinely tests to the aforementioned standards in house. In addition, daily test are performed under the GANA guidelines and annual audits are performed by independent recognized laboratories confirming compliance to the aforementioned standards as safety glazing.

The use of unmarked (NO LOGO/BUG) or non-compliant safety glazing materials in specific hazardous locations as defined by code is unlawful and hazardous. The installer is solely responsible for using the appropriate glazing material and to insure non-safety glazing material is not used in, or resold for use in hazardous situations. West Coast Glass Products will in no way be responsible for any cost, fines, penalties or replacement of glass related to unmarked glass installed in hazardous locations as defined by code. PURCHASER ASSUMES ALL LIABILITY FOR TEMPERED GLASS REQUESTED TO BE UNMARKED (NO LOGO/BUG).

FABRICATION LOCATION:

Corporate / Cerritos Facility
17730 Crusader Ave.
Cerritos, CA. 90703
